

Honeymoons

A romantic honeymoon scene at dusk. A wooden treehouse structure is built around a large, gnarled tree. The treehouse has a deck with a canopy bed and a dining table. Warm lights are strung along the tree and the structure. A couple is standing on the deck, looking out over a lush, green landscape. The sky is a deep blue with some clouds.

Finding you the one

We firmly believe that a honeymoon should be a once in a lifetime trip. Romantic, unique and something you both talk about for years to come.

Whether you are dreaming of embarking on a safari adventure to see the big five, planning to island-hop around the pristine beaches of the Seychelles or to go wine tasting in South Africa, our consultants will create a trip that is tailored to your taste and budget.

To inspire your trip of a lifetime, we've handpicked some of our favourite honeymoon ideas ...but these simply for inspiration, every honeymoon we create is completely unique (seriously, we've never organised two honeymoons the same), so dream big, let your wanderlust go wild and we'll make it happen for you.

Happy honeymooning!

Meet Our Specialists

Ben

I've been involved with holidays to Africa for pretty much all my life... growing up in Sudan and Kenya, taking them, and then a working life in the UK making them. I'm happy talking about anywhere from Cape Town to Ethiopia, and now that I've got 3 children, I'm fast becoming a family holidays expert too.

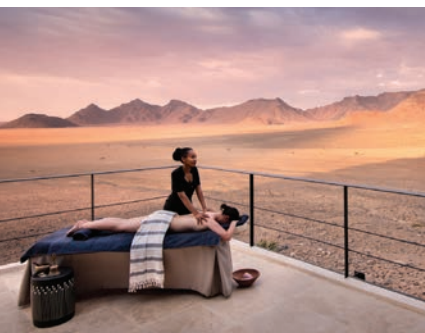

Alistair

I've been working in travel for most of my life... from being a guide travelling through most of central and southern Africa, to heading up sales teams at some of the UK's best specialist tour operators. Talk to me about anywhere in southern Africa and I'm a happy man.

Lucie

Be it gliding down the Okavango Delta in mokoro, feeling my heart pound on a walking safari in Zambia, floating gently over the Mara plains in a hot air balloon or simply enjoying a G&T by a camp fire, I'm always happiest when in Africa. Having driven from the UK all the way to Cape Town in an old Land Cruiser, I'd happily chat to you about most safari destinations, but I've a particular soft spot for Kenya, Zambia and Botswana.

Honeymoon gift list

We can create you a personalised honeymoon gift list so that your friends and family can contribute towards something you'd like to experience on your honeymoon. It might be a hot air balloon ride, a flight upgrade, a spa treatment or a scuba diving experience, we can include whatever you fancy on the list.

A little extra

We'll always try to get you a treat – whether that's a little surprise on arrival or a special discount, we go above and beyond to ensure you get the best experience. Call us today on 01768 603 715 to find out more.

Book With Confidence

Book your honeymoon with total peace of mind thanks to our flexible booking policy.

If you have booked an ATOL bonded trip with us and would like to cancel your trip due the FCO advising against 'all but essential travel' to the particular area you are travelling to, and you are unable to postpone to a later date, we will refund you in full.

Postponing

We'll always happily look into changing your holiday dates if you wish (whatever the reason) and will try to avoid you having any additional costs.
